

Water Polo Development Days for Schools and Leisure Centres.

Peter Clayton – Profile

The Water Polo Community Interest Company is fortunate to be able to draw on the services of Peter Clayton to help with water polo development in the United Kingdom. Peter was a PE Teacher and Head of Outdoor Pursuits for 20 years before becoming a self employed retailer. A former rugby player and coach, Peter became involved in water polo over 25 years ago through his wife Judi. Judi went on to become Great Britain Women's Captain and Peter became a qualified coach and referee. Peter is now Chief Coach and Chairman of Catterick Cobras Water Polo Club, the first water polo club in the country to achieve to its Swim 21 Accreditation. Peter has also coached regional teams and been the lead coach for regional development days.

Peter is well qualified as an experienced teacher to help your staff introduce water polo to your swimming curriculum, and can provide advice on a wide range of water polo issues from equipment to the rules. The day can be designed to suit your needs with land and water sessions dependant on your pool time and timetable. Peter can take a demonstration lesson with children,

teachers or both, and can bring a small amount of water polo equipment with him. Peter will come to your school or pool and deliver an introductory session on how to get water polo started and how to maintain it. If you already do some water polo or mini polo and would like to take the sessions to the next level, Peter can guide your next steps.

For further details and to book a development day, please contact the company secretary on: secretary@waterpolocompany.com please provide your name, phone number, an email contact address and the name and postcode of the school or pool.

The cost is based on a daily fee plus travel costs from Peter's home in North Yorkshire based on distance travelled:-

Under 50 miles - £100 per day

Under 100 miles £150 per day

Under 200 miles £200 per day

Over 200 miles £350 per day.
